Dear Parents ,
Greetings ,

With the spread of seasonal illnesses, colds, and the flu, and out of concern for the safety of all students and school staff, we urge all parents to adhere to the following:

- If a student is sick or suffering from severe cold symptoms, please keep them at home until fully recovered.
- In the case of exams, a medical certificate proving the student's health condition must be submitted.
- Exams will be rescheduled at a later time as long as a valid excuse is provided to the school administration.

We thank you for your cooperation and your commitment to the safety of all our children.

College Director
Hala Toma
