The school would like to thank its dearest parents, beloved students and devoted staff - admins, school principals, teachers, workers and maids - all of whom had worked together in harmony as one team to plan and organise our school annual fundraising day.

Since you all were working for a bigger and better cause: helping those who are in desperate need (residents of Zawyet Sultan village), and as a result of your love, care and effort, the day turned out to be extremely successful, joyful and fruitful.

The school would like to thank you all for your generous offerings; whether it was time, effort, food, clothes, books or money - your participation and generosity is much appreciated.
