**Dear Parents and Students,**

**Warm Greetings,**

**It is my pleasure to join the incredible team of educators at New Ramses School, as KG Principal**

- **Our core values:** Protection, Affection, Correction and Connection will guide our teaching and programming efforts.
- **Our goals** for our students will continue to be delivering a high-quality education that is broad and deep and expands access to life-changing experiences. Our curriculum will foster curiosity, connect the Common Core with real world experience, and prepare students to thrive in a dynamic global economy. Our commitment to whole-child approach remains- emphasizing wellness, cultivating soft skills such as leadership, character education and resilience-building behaviors.

Regarding your concerns and worries about school`s plan for the academic year 2021-2022 we would like to assure you that our students and our employees safety is our atmost priority, which we have been working heavily on.

- **Our plan for the new academic year is as follow:**

**The student will attend school for face- to- face learning five days a week each. KG1 level is divided into 4 groups "aster flower, bell flower, cupcake, daunts," & KG2 level is divided "apricots, blueberries, carrot, dolphin ".**

Besides, there will be learning through Google Classroom where the entire curriculum is recorded.
