

Dear First and Second Secondary Parents,

"Definiteness of purpose is the starting point of all achievement." As we believe in the importance of maintaining a common channel of communication between our professional teachers and our respectable parents, we would like to have the pleasure of meeting you on Saturday, the 29th of November, 2025, from 3:00 - 4:30 pm, in your children's classes on the fourth floor.

You will be able to meet your child's teachers, and discuss the best approach they need to follow to achieve academically. This will help both teachers and parents identify their children's needs, and agree upon the best means of aiding them.

Please sign in, using your child's nrcschools email, to fill in the following form, stating whom you would like to meet. Deadline of filling the form is Monday, the 24th of November, 2025. (<https://forms.gle/B6jecb9aLhcVigiG8>)

"Don't give up, no matter how hard it is. Things are going to be tough down the road, but the more work you put in, the more achievement you're going to get out of it." Looking forward to meeting you all.

Best regards,

Secondary Deputy Principal
