

Celebrating 30 Years of Excellence

New Ramsis College

Dear Ms. Hala Toma,

At Misr International University, we believe that outstanding achievement deserves to be rewarded. This year is particularly special as we celebrate **MIU's 30th Anniversary** marking three decades of academic innovation and student success.

To celebrate this milestone, we are proud to introduce our Anniversary Academic Excellence Discount.

As part of this initiative, students of the Class of 2025/2026 will automatically receive a 10% reduction on tuition fees if they meet the following criteria based on their final high school grade:

For International Certificates:

Students joining Science Faculties (Engineering/ Pharmacy/ Dentistry) will receive a 10% discount if they achieve 85% or above in their **final high school grade**.

Students joining Non-Science Faculties (Applied Linguistics/ Mass Communication/ Business/ Computer Science) will receive a 10% discount if they achieve 80% or above in their **final high school grade**.

For Egyptian Thanawia Amma holders:

A fixed 10% discount awarded to high achievers, with **required scores** determined by the official Tansik results.

To maintain this discount, students are required to achieve a minimum cumulative GPA of 2.5 throughout their studies.

We are proud to support the next generation of high achievers as they start their journey with us during this special milestone year.

Best Regards,

MIU Admissions Office
